Re: Committee for a Livable Future - COO323352
12-Day Pre-General Report (10/1/96-10/16/96)

This letter is in response to yours of June 11, 1997, asking about the Committee's lack of detailed administrative expenses.

The Committee had no office and no paid personnel at the time this report was filed. Checks were collected on a volunteer basis. Other administrative work (filings, deposits, FEC compilation) was accomplished by C&E Systems of Oregon, and expenses incurred in this regard did not exceed \$500 at the time of the FEC filing. Their services were invoiced and paid during the reporting period which followed thereafter.

If you have additional questions regarding this report, please call me -- or Susan Matthews at C&E Systems of Oregon (503) 295-1851.

Sincerely,

Robert Stacey
Treasurer
